Oklahomans For Life Statement on Presidential Candidates

Oklahomans For Life is grateful for the strong pro-life record established by Mike Huckabee as governor of Arkansas, and recognizes that Governor Huckabee has taken the strongest pro-life position on all of the life issues of any of the candidates still in the presidential race.

Oklahomans For Life is also grateful for the strong pro-life voting record on abortion of Senator John McCain, and appreciates the pro-life position he has taken in his Senate campaigns and in this presidential campaign.

Oklahomans For Life also appreciates the pro-life position taken in this presidential campaign by former governor Mitt Romney.

Oklahomans For Life is greatly disappointed that Hillary Clinton, Barack Obama, and John Edwards all have pro-abortion voting records in the U.S. Senate, and that all three of these Democratic candidates have taken a pro-abortion position in the presidential campaign.

Republican candidate Rudy Giuliani, likewise, has taken a pro-abortion position in the presidential campaign.
