Oklahomans For Life - LEGISLATIVE ALERT

February 22nd, 2008

**PLEASE COPY AND DISTRIBUTE TO FRIENDS
AT
POLITICAL CONVENTIONS, CHURCH, etc.**

**Conscience bill goes to full Senate; House to
vote on four pro-life bills; email support now**

Following approval by the Senate Rules Committee, the full Senate will vote soon on Senator Todd Lamb's pro-life SB 1878. The *Freedom of Conscience Act* would protect health care professionals' right to refuse to participate in the taking of an innocent human life.

It is critical that senators hear from their pro-life constituents urging support for SB 1878. You could identify your senator by going to our website, www.OkForLife.org. On the upper left side of the home page, click on *Identify Your Legislators*. Type your address, then scroll down to the fourth entry. A link to your senator's email address is shown.

Your message, in your own words, could be as short and simple as: *Senator, please support Sen. Lamb's SB 1878 to protect health care professionals' right to refuse to participate in the destruction of a human life.*

Please also contact your representative in the House and request support for the four pro-life bills that were just approved by the House Judiciary Committee. The bills (all four of which are authored by women) are:

HB 3144, by Rep. Lisa Billy, providing a woman an ultrasound of her unborn child which she may view prior to undergoing an abortion;

HB 3059, by Rep. Rebecca Hamilton, ensuring that a mother's consent to an abortion be truly voluntary, and safeguarding against coerced abortions;

HB 2771, by Rep. Pam Peterson, protecting health care professionals' freedom of conscience and right to refuse to participate in the taking of a human life;

HB 2181, by Rep. Skye McNiel, regulating the use of the dangerous chemical abortion pill RU-486, used when the unborn child is about two months old.

Your message could be very short, and as simple as: *Please support the four pro-life bills: **HB 3144, HB 3059, HB 2771, and HB 2181.***

You can identify your representative by referring to the second paragraph

above and scrolling down to the fifth entry. A link to your representative's email address is shown.

If you are not on our Legislative Alert email list, you may sign up at the top of our home page at www.OkForLife.org If you want to add friends or relatives to the Alert list, please do so.

Thank you very much for being a voice for the helpless unborn child.
