Oklahomans For Life - LEGISLATIVE ALERT

March 31st, 2008

House and Senate to vote on pro-life bill; Please email and phone for support now

The state House will vote this Wednesday, April 2, on the pro-life bill, **SB 1878**, and the Senate is expected to vote soon thereafter. Please email and phone your state senator and representative, urging their **support** for **pro-life SB 1878**.

You can identify your state senator by going to our website, www.OkForLife.org. On the upper left side of the home page, click on *Identify Your Legislators*. Type your address, then scroll down to the fourth entry. A link to your state senator's email address is shown. The fifth entry provides a link to your representative's email address. Phone numbers are provided, as well.

Your message, in your own words, could be as short as: *I live in your district, and I ask that you please support **SB 1878**, the **pro-life bill** that helps women, unborn babies, health professionals, and those with disabilities.*

SB 1878 contains the five separate bills that were the focus of Rose Day. The five parts of the combined bill are:

- 1) protecting health care professionals' freedom of conscience and right to refuse to participate in the taking of an innocent human life;
- 2) regulating the use of the dangerous chemical abortion pill RU-486, used when the unborn child is about two months old;
- 3) ensuring that a mother's consent to an abortion is truly voluntary, and safeguarding against coerced abortions;
- 4) providing a woman an ultrasound of her unborn child which she may view prior to undergoing an abortion; and
- 5) fostering respect for children with disabilities by disallowing wrongful-life lawsuits which claim that a baby would have been better off being aborted.

It is urgent that senators and representatives hear at once from their pro-life constituents asking **support** for **SB 1878**.

It is also important that **Governor Brad Henry** hear from pro-life Oklahomans urging his **support** for **SB 1878**. His office phone number is (405) 521-2342.

Thank you very much for being the voice of the voiceless unborn child.
