Oklahomans For Life - LEGISLATIVE ALERT

April 20th, 2009

Showdown looms at state Capitol; Fight off veto; Email legislators now

HB 1326 and HB 1595, the two major pro-life bills of this legislative session, have both now been passed by the Oklahoma House and Senate, but neither bill is assured of becoming law. (Governor Brad Henry, you may recall, has vetoed major pro-life legislation each of the past two years.)

HB 1326, which prohibits killing human embryos for research, has gone to the Governor for his signature, but opponents of the bill are urging him to veto this vital pro-life legislation.

Republicans are united in their support for the bill, but Democrats are divided, both in the House and in the Senate. Please send an email to the Democrats who voted for this bill prohibiting embryo-destructive research and thank them for their support and ask them to continue to support HB 1326 even if it means voting to override a veto.

Please send your email to prolifedems1326@okforlife.org. One click will reach all 25 House Democrats and all 12 Senate Democrats who voted for the bill.

Please send a second email to reach the 32 House Democrats and 10 Senate Democrats who voted for HB 1595, the pro-life bill which prohibits sex-selection abortions and requires reporting of abortions and abortion complications.

You can reach these legislators with one click at prolifedems1595@okforlife.org. Please thank them for voting for HB 1595 and ask them to continue to support this pro-life bill. HB 1595 must be voted on one more time by both the House and the Senate, and it will then be sent to the Governor.

Ask these pro-life Democrats to vote to override a veto if that becomes necessary to enact this critically important pro-life bill.

And please send a third email to the four senators who were absent the day HB 1595 passed the Senate, asking them to support HB 1595 until it becomes law. Click supportHB1595@okforlife.org. (The names of these four senators, and of the senators and House members who voted for and against these two bills, may be found on the VOTES page of our website, www.OkForLife.org.)

Thank you for your faithful defense of the sanctity of innocent human life.
